The following buildings of the Government servants' quarters at Siruguppa are vacant.

1.	Block No. III.	one quarter normal rent of which is		Rs.17
2.	"	another quarter	-do-	Rs.17
3.	" IV.	one peon's quarter	-do-	5
4.	" V.	one quarter	-do-	10
5.	"	another quarter.	-do-	9½
6.	"	10 peons' quarters	-do-	5 e

Total 15 quarters.

Nos. 1 to 3 were proposed for occupation by the Local Fund servants at Siruguppa. These local fund servants are not prepared to pay the normal rents but are willing to occupy the quarters at the usual rents charged for Government servants i.e. at 10% of pay for quarters 1 and 2 and Rs.0-12-0 for No. 3. Nos. 4, 5 and 6 are not wanted by the Union Board at Siruguppa. I would suggest the advisability of letting the remaining quarters at competitive rents to the general public on short leases. It is better to have the buildings occupied than vacant. The local fund servants and others are not Government servants and they cannot be compelled to reside in Government quarters. I request orders of Government in the matter.

A | Two of the quarters in Block III were proposed for the Local Fund overseer and his clerk and one of the qrs in Block IV for the ferry

The vacant quarters in Block V (12 in number) are not required by any body

In the circumstances stated in the collector's letter cited & 2nd Feb. 25 at Noted for consideration

(a) whether he may be asked to let all the 15 quarters referred to therein at competitive rents to the general public on short leases

(b) whether in view of the fact that if the three quarters referred to in A above are let to Local Fund servants, they will be occupied continuously without any break they may be given to them on payment of rent at the rates admissible to

Govt servants (viz, 10 p.c of emoluments in the case of the L.F nurses and his clerk and the concessional rate of rent admissible to Govt peons in the case of the L.F. peon), the remaining quarters in block V only during the interval be let to the general public at competitive rates for short leases.

It is for orders whether P.W.D may be requested to adopt the 2nd of the two courses suggested above by them. That course lessens the chance of vacancies in occupation at least so far as the 3 quarters are concerned.

The 2nd alternative is the better
